**USNA '71 55th Reunion Announcement on Game Tickets**

Classmates, Widows, Remarried, The 55<sup>th</sup> reunion committee is preparing diligently for the reunion; survey results indicate over 500 classmates and guests plan to attend. The committee intends to open registration about 15 May 2026.

While no action is currently needed for reunion registration, we do need your action regarding football game tickets which will be handled separately from registering for the reunion. The class has been allocated a large block of seats in Section 1 on the blue side near the south end zone with easy access to the N\* Room. Because our tailgate party will be in the N\* Room, which is inside the stadium, anyone attending the tailgate **must** have a game ticket.

To allow companies to sit together at the game, we have arranged for one person to purchase tickets for the company. On 6 April 2026 at 1200 EDT a link will be provided to allow purchase of tickets by row and seat number. For fairness, we are taking a deliberate approach to releasing the link. **First**, we recommend each company designate a person to purchase tickets and canvas their company on ticket interest. **Second**, on 6 April 2026 at 1200 EDT we will provide access to the link and ticket purchases may begin on a first come/first served basis.

Additional ticket information:

1. The game will be Navy vs. Tulsa on 10 October 2026; game time is TBD.
2. Regular seat purchase price is \$69.77 each. Standing room only tickets (\$45.00) are not available now but may be added later to the ticket website.
3. The person buying tickets for the company will pay for all tickets at the time of purchase.
4. Our seats are in section 1, rows 1-35. Once the seats in section 1 are purchased, we will be given an allocation in section 101, which is on the second deck above section 1.

5. The purchase deadline is 26 September 2026 at 1200 EDT.
6. Spots for wheelchair attendees can be purchased on an individual basis by calling Mac Loud at NAAA at 410-293-8743. Indicate you are with the Class of '71 reunion group.
7. Tickets will be sent out electronically about two weeks before the game. When we are closer to the time of ticket distribution, NAAA will provide instructions on transferring tickets from the company purchaser to the others in the company. NAAA does not provide paper (.pdf) tickets.

We will post this ticket information on the Class of 1971 website under 55<sup>th</sup> Reunion Information (<http://1971.usnaclases.net/55th-reunion-information/>).

On behalf of our reunion committee

Perry Martini
