

## 55<sup>th</sup> Reunion Football Game Ticket Ordering Information 7 April 2026

### Communication from Perry Martini

Classmates, Widows, Remarried:

As announced in a recent email, the site for ordering tickets for the reunion football game is now open. Using the link below, you may purchase tickets by row and seat number on a first-come/first served basis. We previously encouraged each company to designate a ticket representative to buy a block of tickets for their company.

NAAA site: <https://www.gofevo.com/event/Class19712>

The link takes you to a page for our class. Click on “Get Tickets.” On the next page, click on “Section 1” or “Section 101.” On the next page select your desired row and when on that row select the desired seats. The remainder is like other purchase sites.

Additional ticket information:

1. Regular seat purchase price is \$69.77 each. The site allows you to purchase insurance. Our seats are in section 1, rows 1-35. Once the seats in section 1 are purchased, NAAA will give us an allocation in section 101. The purchase deadline is 26 September 2026 at 1200. No standing room only tickets will be available until regular seats are sold.
2. Purchase game spots for wheelchair attendees on an individual basis by calling Mac Loud at NAAA at 410-293-8743. Indicate you are with the Class of '71 reunion group.
3. Tickets will be sent electronically about two weeks before the game. Closer to the time of ticket distribution, NAAA will provide instructions on transferring tickets between the company purchaser and others in the company. We will post this information on the Class of '71 website under 55<sup>th</sup> Reunion Information (<http://1971.usnaclassess.net/55th-reunion-information/>).
