USNA '71 55th Reunion Announcement on Game Tickets in New Section 101

Classmates, Widows, Remarried:

I recently sent you an email announcing the opening of game ticket sales. We have had remarkable interest in game tickets. Over 330 tickets were sold in one day. As a result, we are opening an additional section for Class of '71. The new section is section 101 which is directly above section 1.

Access through the below link is now open for ticket sales in section 101.

Additional information on tickets is in my email of 6 April 2026. As a reminder you will need a game ticket to attend the '71 tailgate party in the N* Room.

Select the following Link, or copy/paste it to your browser:
